The trip is planned for **June 10-11, 2015** to give our members an opportunity to visit one-on-one with our Congressional Delegates and Senators.

This activity is an important method of communicating our concerns to our elected officials. Ohio, as the crossroads of the Midwest, is the key to economic development and job growth.

Spouses and children are encouraged to participate. All Representatives/Senators and Legislative Aides like to visit with family groups. Friday is a free-day to travel sight-see and visit museums.
